

*Do something...
...Get involved*

STAGE 2

Over the next 12 months treatment and support services for drug and alcohol issues are being redesigned and tendered. The City Council want to get the views from as many people as possible.

People who use services already and people who may need them in the future. Your views really count.

Look out for opportunities to get involved in services or come along to one of the big open day events. There will be people there to help you to take part in the survey

Have your say about the design of substance use services in Nottingham

Drop in at one of the sessions to have your say:

Friday 25th September 11am–4pm

In the Green Room at The Voluntary Action Centre
7 Mansfield Road

Monday 28th September 10am–3pm

In Open Access at Recovery In Nottingham
Broad Street

Friday 2nd October 10am-4.30pm

In the Board Room at the Crime and Drugs Partnership
Galleries of Justice, High Pavement
