

MAMBA CLINIC

Specific support for users of Mamba/Spice (Synthetic Cannabinoid Chemicals)

To attend the Mamba Clinic you must first have an assessment at Nottingham Recovery Network, or already have a keyworker there.

The sessions at the Clinic will focus solely on Mamba use, and motivating change.

It doesn't matter how much you are using, large or small amounts, come and have a chat. We are here to help and support you.

THURSDAYS 10AM - 2PM
@ Nottingham Recovery Network

The Wellbeing Hub
73 Hounds Gate, Nottingham NG1 6BB
Tel: 0800 066 5362 or 0115 970 9590
